Colour	RAL 3000 red	Weight	170g
Dimensions	92mm x 46mm		
Ingress protection	IP66		
Material	Polycarbonate		

Good to know 📘

This base offers the possibility to mount two M20 cable glands on the side of the base. It is the ideal solution when the wiring has to be connected through the side of the base instead of at the bottom. This makes it also perfect for series installation.
