### Specifications

|                                       |                               |                       |  |
|---------------------------------------|-------------------------------|-----------------------|--|
| Brand                                 | PIPS                          | Light source          | LED  |
| CE certificate                        | Yes                           | Luminous intensity    | 55cd   |
| Certificates, quality marks, markings | CE, UL type 4X, EAC           | Operating temperature | -30°C to +50°C   |
| Colour lens                           | Blue                          | Particularities       | Rotates ± 110/minute and flashes ± 35x3/minute   |
| Dimensions                            | Ø92mm x 107,5mm               | Rated current         | 12V AC/DC 510mA / 24V AC/DC 360mA / 40V AC/DC 300mA / 80V AC/DC 110mA / 120V AC 100mA / 240V AC 70mA |
| Ingress protection                    | IP66                          | Type                  | PIPS module  |
| LED life                              | 100 000h                      | UL certificate        | Yes  |
| LEDs colour                           | Blue                          | Voltage               | Depending on the installed base  |
| Light patterns                        | Steady, blinking and rotating | Weight                | 200g   |

### Good to know i

The combination of the coloured lens with 24 coloured Bright LEDs in this module enhances the colour of the light signal. With the multi-channel technology you can easily switch the different light effects externally.
