Dimensions	220mm x 46mm x 66,5mm	Weight	373g
Focus	Stepless dimming wheel		
Ingress protection	IP54		
Light source	LED		

Good to know i

I2r is fitted with a top light in the very end of the arm, letting you light up straight ahead, even in very cramped spaces. With 700 lumens from the main light and 120 lumens from the top light there is always enough light to get the job done.
